

## **PUBLIC HEARING DATES**

To consider a change to the Borough zoning ordinance that would allow a high-rise on Maple Avenue to be developed to a maximum height of 198 feet.

- **Tuesday, September 20th**
- **Wednesday, September 21st**
- **Wednesday, September 28th (if necessary)**

The meetings will be held from  
**6:30 pm - 9:30 pm** in the  
Wissahickon High School Audion.  
521 Houston Road, Ambler, PA

***Please put these dates on your calendar.  
Your attendance will make the difference.***

All citizens concerned about the proposed high-rise development in Ambler on the hazardous asbestos dump on Maple Avenue, behind the McDonalds, should attend the upcoming public hearings.

This project could have serious negative impact on public health, safety and the quality of life in the Borough of Ambler and surrounding communities.

At the hearings, Ambler Borough Council will listen to input from the developer & their consultants, and input from all borough residents & taxpayers, and residents of all the surrounding townships.

Your attendance is vital to the effort. Whether you choose to speak or not, the borough council needs to know the true extent of the opposition to this project. Their decision, based on these hearings, will determine if the project goes forward as proposed, or at all.
